Online Giving Announcement

Hello, a message from the Parish office regarding Online Giving:

Many have asked when online giving would be available, and today the parish office is proud to announce that we are keeping up with technology, and we have ability for online giving.

Online Giving is an easy way to give a gift to the parish electronically- Just by visiting the parish website, or by downloading the free online giving mobile app.

I'll explain briefly how these are done:

1. The first way is by visiting the parish website: stroserushville.com. Just click on the "online giving" button that is found at the bottom of the home page. For first time users, just click on "create new account." This is a one-time account set-up - then can log in anytime thereafter. Allows you to make donations to the church with options as a one-time gift or recurring. My personal experience - I really like not needing to write one more check each month. I also don't have to worry about delaying my donation if I cannot get to Mass on Sunday.
2. The second way for accessing online giving is from our phones. Simply download the app for free from the Apple or Google stores. The name of the app is "Online Giving by Our Sunday Visitor." From there it's the same login process as in the website. And we can access, right from our phones...

You will also find this announcement in your bulletin. Feel free to reach the parish office anytime for support and any questions.

Thank you all and God bless.
