St. Nicholas Charity on Wheels

St. Nicholas Charity on Wheels is a ministry of Catholic Charities serving more than 900 families in need each month across the Peoria Diocese. To support this mission, Catholic Women are organizing a diocesan collection of supplies by vicariate. St. Hubert Parish will collect donations beginning the weekend of **Aug. 9–10** through **Thursday, Aug. 20**.

Items needed in August: Toilet paper, paper towels, feminine hygiene products, bar soap, Band-Aids, first aid ointment, and pain relievers (such as Tylenol or ibuprofen). Religious items are also appreciated, including small statues, holy cards, rosaries, Bibles, notepads, pens, and pencils.

Your generosity helps families throughout the Peoria Diocese meet basic needs while experiencing Christ's love in action. As Jesus reminds us in Matthew 25:40, *"Whatever you did for one of the least of these brothers and sisters of mine, you did for me."* Please prayerfully consider supporting this important ministry.

Families in need may meet the St. Nicholas Van at the following locations in August:

- Wednesday, Aug. 19, 2:30 PM – Jameson Center, 1025 S. 2nd Street, Monmouth

Treasures from our Tradition

Most parishes are now aware of the catechumenate and the journey of new faithful in the RCIA, but this form of sacramental initiation disappeared from view in the thirteenth century along with many other ancient practices. Life back then was hard, and often too short, and priests were increasingly insistent about the responsibility of parents to baptize children in danger of death. Since everyone in that society was under unimaginable threat from famine, warfare, and plague, the liturgical rites changed quickly. Everyone was in danger of death all the time. No longer were babies immersed in fonts, being lowered into the water, although the ritual books never backed down from immersion. Infusion was the new way, a simple pouring of a few drops of water on the child's forehead.

The catechumenate collapsed, being reduced to the recitation of the Creed and an Our Father at every baptism.
(continued on next column)

Treasures from our Tradition (continued)

Amazingly, any provision for adult baptism was shelved, so that as late as the 1950s, a person being baptized was presumed to be an infant, unable to answer for him or herself. Questions of creed and commitment were put to the godparents, not to the person being baptized. Even Dorothy Day and Thomas Merton, famous adult converts, remained mute at their baptisms while their sponsors answered for them. In hindsight all this appears strikingly odd, yet it was accepted as the way things were. We have good reason to give thanks for the vigorous reforms of the last fifty years!

—Rev. James Field

The Word in our Lives

A Truly Wise Person

The ending of today's Gospel speaks about "the new and the old." Jesus is saying that a person "instructed in the kingdom" has wisdom both old and new; in other words, that person learns from the past as well as from the present. Let's look at each of those.

We learn from the past by studying it. So the wisdom of the Kingdom comes first from the scriptures. The more familiar we are with the word of God, the more wisdom we possess. Along with studying the scriptures, we must pray over them and ask the Spirit to show us how they apply to our lives.

We can also learn from the lives of the saints and writings of the Church. The saints may have lived extraordinary lives, but they all began as ordinary people who gave their lives to Christ. The writings of the Church, though sometimes very technical, contain the wisdom of centuries of living the faith. If you only have time to go to Mass on Sunday, just listening to the homily can help to apply the scriptures to your life.

One way we can learn from "the new" is to learn from our mistakes. That includes learning from our sins. When we are truly sorry, we make an effort to change our ways. You might say we have to learn a new way to respond to that situation. In the Bible, the word repentance itself means a change of heart, a new way of seeing and doing things.

We can also learn from the mistakes and the successes of our friends. As we share our faith with them, we share the stories of our lives, both good and bad. These stories can teach how to live our faith (or how not to!). One of the advantages of having friends whom we trust enough to confess our faults to is that we do not have to figure out life on our own. God can speak to us through a friend or relative whose advice we seek. A truly wise person is one who has received a lifetime of good advice.

—Tom Schmidt
